

Our Modus Operandi

Transparency International (TI) Azerbaijan is a non-partisan organization that does not support or work against interests of any single political power. We work for the benefit of the people of Azerbaijan. Our Vision is a world in which government, politics, business, civil society and the daily lives of people are free of corruption. Our Mission is to stop corruption and promote transparency, accountability, integrity, solidarity, courage, justice and democracy at all levels and across all sectors of society.

According to our core values and principles, attaining greater transparency and integrity requires a long-term commitment to change, which is possible with the awareness and support of multiple stakeholders and ultimately the society as a whole. TI Azerbaijan endeavors to maintain good working relations and cooperation ties with key stakeholders and targets, including with the government, the CSOs and general public of Azerbaijan in order to extend the impact of and obtain feedback on TI Azerbaijan work in fighting corruption.

The core principles governing our relations with the government are our values, namely transparency, accountability, integrity and justice among others. TI Azerbaijan's modus operandi with the government is based on an impartial analysis of state policies and processes, constructive engagement of the government into anti-corruption work through monitoring its anti-corruption performance, designing recommendations tailored to address problems in specific spheres of public sector and advocating for positive changes.

TI Azerbaijan prepares recommendations to the government based on the expertise of CSO in various ways (networks and periodic meetings are established with NGOs) and inputs from key partners in order to evaluate and improve operations and strategies in the field. Roundtables by TI Azerbaijan are conducted as an opportunity for state agencies and the civil society experts to discuss the country's stance on major corruption issues, to advocate for the reforms and to position TI Azerbaijan as the country's foremost knowledge centre and strategic partner on fighting corruption and promoting transparency.
